

**ST. CLEMENT'S
SCHOOL**

Passion. Courage. Curiosity.

St. Clement's School Entrance Merit Scholarships

*St. Clement's School develops outstanding women
who are intellectually curious, courageous and compassionate.*

St. Clement's School is pleased to award two entrance scholarships. The non-renewable scholarships are awarded to one student entering Grade 7 and one student entering Grade 9 who demonstrate courage, compassion, excellence and leadership in the areas of academics, co-curriculars and community service. Each entrance scholarship is worth \$7,500 and will be applied toward the first year's school tuition.

To apply, students are asked to create a personal portfolio, including the following:

- 1) A letter written by the applicant outlining why the applicant feels she would make an excellent Entrance Merit Scholarship recipient and why she would like to attend St. Clement's School. This letter should outline accomplishments in the areas of academics, co-curriculars and community service and how these would help her contribute to school life at St. Clement's.
- 2) A one-page personal résumé.
- 3) Two to three samples of student work demonstrating curiosity and creativity. Work with teacher rubrics and commentary preferred.*
- 4) Any certificates of distinction or certificates of participation from curricular or co-curricular areas in which the student demonstrates leadership.*
- 5) Two reference letters:
 - a. One from a teacher who is involved in a curricular or co-curricular area in which the student has demonstrated leadership
 - b. One from an individual who has known the applicant for two or more years. This person may not be an immediate family member.
- 6) Any other supporting information the student believes would supplement her portfolio.

The deadline for merit-scholarship application is November 30, 2018.

Short-listed candidates will be contacted by January 25, 2019.

***Please do not include any original work; no part of the portfolio will be returned.**

Renewable Financial Aid is also available. St. Clement's School is committed to enrolling exceptional girls from diverse backgrounds, regardless of their families' financial situations. Please contact the Admissions Office for further information about our needs-based Financial Aid program.
