INTEGRATED ACCESSIBILITY POLICY

INTENT

The St. Clement's School (the "School") Accessibility Policy outlines the policies and actions in place to improve access and opportunity for people with disabilities. This policy is intended to meet the requirements of the Accessibility for Ontarians with Disabilities Act, 2005 and the regulations supporting the Act.

COMMITMENT TO ACCESSIBILITY

St. Clement's School is committed to maintaining its inclusive culture and to meeting the accessibility needs of people with disabilities, including students, employees, and community members. The School will continue to improve accessibility to persons with disabilities in its facilities, policies, and processes. The School will further these goals by preventing and removing barriers to accessibility and meeting accessibility requirements under the *Accessibility for Ontarians with Disabilities Act, 2005* (the "AODA"). In that regard, the School has established this accessibility policy (the "Policy") and an Accessibility Standards for Customer Service Policy to meet its obligations under Regulation 191/11, "Integrated Accessibility Standards" (the "Regulation") under the AODA.

The School's vision for accessibility is that people with disabilities, visible or invisible, are given the same opportunity as others to obtain and benefit from services offered by the School. The School's goal is to make reasonable efforts to provide services in such a way that the key principles of independence, dignity, integration, and equality of opportunity for persons with disabilities are respected.

The School welcomes and encourages all members of our community to collaborate and provide creative input in future initiatives for accessibility.

3. Persons with disabilities must be given an opportunity equal to that given to others to obtain, use, and benefit from the school services; and
4. The School communicates with persons with disabilities in a manner that takes into account their disabilities.

To ensure the best possible customer service, the School encourages open two-way communication and expects persons with disabilities to communicate their need for accommodation or assistance if it is not readily apparent how that need can be met.
