SCHOOL

Passion. Courage. Curiosity.

Statement of Commitment to Accessibility (AODA)

St. Clement's School is committed to providing an environment that is accessible, inclusive, and barrier-free for our community, including students, parents, employees, job applicants, suppliers, visitors, and other stakeholders who enter our premises or access our information. As an organization, we respect and uphold the requirements set forth in the *Accessibility for Ontarians with Disabilities Act, 2005* ("AODA") and the regulations supporting this Act.

We are dedicated to meeting the needs of individuals with disabilities and strive to create an environment that is safe, dignified, and welcoming. We are committed to ensuring our school's compliance by incorporating accessibility legislation into our policies, procedures, equipment requirements, training, and best practices. We will review these policies and practices annually and as organizational changes occur.

In our ongoing efforts to strive for accessibility, we are committed to continuing to identify, prevent, and remove barriers on an ongoing basis, in a timely manner. Providing an accessible and barrier-free environment is a shared effort, and as an organization, we are committed to working in partnership with our community to meet and, where possible, exceed needs and the requirements of the Accessibility for Ontarians with Disabilities Act (AODA), and to demonstrate our commitment to accessibility.

For more detailed information on our accessibility policies, plans, and training programs, please contact the Director of Human Resources, the Director of Student Life, or the Facilities Manager.

Sincerely,

Martha Perry
Principal
