

Uniform Guidelines

As of September 2020, the SCS Physical Education Uniform will comprise the school uniform to be worn by students in Grade 1-9. SCS navy sweatpants and sweatshirts, and athletic shoes, may be worn as part of this uniform. Students in Grade 10-12 have the option to wear either the SCS Physical Education Uniform, or their standard School Uniform, including Summer Uniform between May 1 and Thanksgiving. Either uniform must be worn in its entirety. Students must be appropriately dressed for virtual classes, and may choose to wear their uniform if they wish.

All uniform items should be clearly labelled with the student's first and last name. Uniform items may be purchased through our School Store, The Penguin's Nest.
