SCS Parents' Association Volunteer Opportunities

The SCS Parents' Association coordinates and participates in a number of community building, fundraising and co-curricular support activities throughout the year – all of which directly benefit our daughters. We rely greatly on parent volunteers to make these events a success. Whether you have an hour, a half a day or more time to spare your involvement will be greatly appreciated. Volunteering is also a great way to meet parents and other members of the St. Clement's community, and to get involved in the life of the School. If you are interested in volunteering please follow the link to sign up. If you would like additional information, please contact the Volunteer Coordinator, Cindy Crawford at cindyandbrian66@sympatico.ca
