*St. Clement's School develops outstanding women
who are intellectually curious, courageous and compassionate.*

St. Clement's School is pleased to award one entrance scholarship each to a student entering Grade 7 and Grade 9. The non-renewable scholarships are awarded to students who demonstrate courage, compassion, and curiosity, and have shown examples of commitment to community. Each entrance scholarship is worth \$6,000 and will be applied toward the first year's school tuition.

To apply for the St. Clement's Merit Scholarship:

Applicants to Grade 7 and 9 will have the option to indicate their interest in being considered for the Merit Scholarship on the SCS application form. Complete the Merit Scholarship application within the [Parent Portal](#) by completing the *Merit Scholarship References' Information and Video Link* form. All components of the application must be submitted by Tuesday, December 1, 2026.

Requirements:

- 1) Video: record a video to answer the following questions and tell us more about yourself. The video should be between 2.5 - 5 minutes long. In your video:
 - a) Introduce yourself and tell us why you want to come to St. Clement's.
 - b) Tell us about a time when you have demonstrated courage, compassion, or curiosity.
 - c) When was a time when you have made a positive impact in your community? Provide details, including describing the community, what your role was, and how you believe you made a positive impact.
 - d) End with a "fun fact" about yourself, or briefly share a personal story or experience, or do a show & tell - or any other ideas that showcase who you are!
 - e) Do not worry about how technologically savvy you are - we want this video to be an opportunity for you to share who you are, so we will only be focused on learning about you! Please save your video in a Google Drive, ensure the sharing options allow outside viewers, and provide the link in the *Merit Scholarship References' Information and Video Link* form.
- 2) Two References: please provide us with the names and email addresses for:
 - a) A teacher from the current or previous school year.
 - b) An individual who has known you for two or more years. This person may not be an immediate family member.

We will reach out to these two individuals with a request for them to complete an online reference form in December.

The deadline for submitting Merit Scholarship applications is Tuesday, December 1, 2026.

Shortlisted candidates will progress to a brief, virtual second-round interview. All candidates will be notified on Friday, January 22, 2027 of whether or not they have been selected for the second round.
